

PRAISE FOR *RODNEY SCOTT'S WORLD OF BBQ*

Rodney Scott's World of BBQ was named #1 (hardcover) and #3 (kindle) for New Releases in Barbecue & Grilling for the week of March 29th on [Amazon](https://www.amazon.com)

New Releases in Barbecuing & Grilling

FOOD&WINE

23 Spring Cookbooks We're Adding to Our Shelves, 3/25/21

"In his first cookbook, Scott tells the story of how he went from his family's barbecue joint in Hemingway, South Carolina to opening his own spot in Charleston. The book delivers on flavor, too, with recipes that run the gamut from barbecued spare ribs to smoked chicken wings."

Esquire

The 15 Best—and Most Anticipated—Cookbooks of 2021, 2/3/21

“Rodney Scott has a way about him that's spiritually sustaining before you even get that first bite of world-rocking barbecue. “Patience and adversity,” he says, are what drive him. Read all about it, and the barbecue, in his new book, which comes on the heels of a star spot on Netflix's Chef's Table.”

TODAY

12 best cookbooks by Black chefs and authors 2021, 2/16/21

“Rodney Scott’s World of BBQ is four decades in the making – he cooked his first whole hog at the tender age of 11. Co-written by Lolis Eric Elie, this unofficial barbecue bible shares Scott’s cooking secrets... regardless of your current pitmaster status.”

EATER

The 17 Best Cookbooks of Spring 2021, 3/22/21

“In this debut cookbook, Scott does so much more than share recipes or lighthearted anecdotes: He offers an intimate portrait of his life... and, ultimately, his path to becoming the pitmaster he is today. If you don’t cook a single recipe, this cookbook is worth opening for these stories alone.”

Robb Report

The 11 Best New Cookbooks to Buy This Spring, 4/5/21

“In his debut cookbook he’s partnered with acclaimed writer Lolis Eric Elie to share his secrets for better low-and-slow as well as must-have sides—like cornbread with honey butter and macaroni and cheese—and also shares recipes for backyard grilling, all while weaving in personal stories and the histories of Southern foodways.”

Men'sHealth

The 2021 Men's Health Kitchen Awards, 3/4/21

“The James Beard Award–winning pitmaster on what makes his barbecue rub legendary (MSG, shhhhh), his collard greens addictive (vinegar-based BBQ sauce), and his potato salad impeccable (easy on the mashing).”

epicurious

The 11 Best New Cookbooks of Spring 2021, 3/14/21

"I imagined that it might take a full book for Rodney Scott to teach someone to barbecue the way he does in Charleston, but Scott manages to do it in the 30 pages before the recipes start... Writing with a lifetime of experience behind him, Scott manages to make Carolina barbecue feel accessible to the weekend warrior."
